SPECIAL SUPPLEMENTS

1949 Statistical Supplement

More than 2,600 series of commercial and governmental statistics for the business world are included in this supplement. Provides monthly data from January 1945 through December 1948 and annual averages of monthly data from 1935 through 1948, plus complete annotations for meaningful use. 306 pages. Price $1.25.

National Income Supplement

National Income Statistics, as provided in this Supplement, are designed to form an interrelated system of national-economic accounting. Covering the years from 1929 through 1946, the Supplement contains the data to which the more recent and current series are keyed and an explanation of fundamental concepts and procedures. 54 pages. Price 25 cents. Also July 1950 National Income Number of the SURVEY OF CURRENT BUSINESS presents the latest comprehensive figures, 1946–49. Price 30 cents.
